LISTERINE®

COOL MINT® ENJUAGUE BUCAL ANTISÉPTICO

¡Asústense, gérmenes! Llegó el enjuague bucal antiséptico LISTERINE® COOL MINT®

El enjuague bucal número uno recomendado por odontólogos. LISTERINE® COOL MINT® no sólo mata gérmenes, también le agrada a las personas. Un enjuague de tan sólo 30 segundos, dos veces al día, es todo lo que hace falta para controlar los gérmenes durante horas y ayudar a mantener encías sanas. El cepillado común deja millones de gérmenes en la boca. Aún presentes en la boca, los gérmenes se apoderan de los dientes rápidamente, causando mal aliento, acumulación de placa dental y gingivitis. Se ha comprobado clínicamente que LISTERINE® COOL MINT® ayuda a reducir la placa dental, prevenir la gingivitis y matar los gérmenes que el cepillado no logra eliminar.

CACHAREL

After the resounding success of Jean Bousquet's emblematic piece in the beginning of the 1960s, Cacharel was one of the first fashion houses to introduce the Ready-to-Wear concept as an alternative line to Haute Couture. Cacharel, who is always ahead of its time, has been able to keep its fresh, young and dynamic image.

cacharel

Cacharel has been present for every stage of young women's life following the success of its first legendary perfume, Anaïs Anaïs. From the ultra-feminine Anaïs Anaïs to the love at first sight of Amor Amor, from the refined purity of Noa to the happy and bubbly Catch Me... Cacharel embodies all of life's precious moments with tenderness, sass and dynamism. Cacharel, an intimate brand, offers young women an expression of their deepest emotions.
